Preface

This report has been prepared as a partial requirement for the completion of my internship program. The purpose of this report is to present my practical experience, learning outcomes, and overall understanding gained during my internship at Chomok News.

Through this internship, I had the opportunity to gain hands-on experience in journalism, newsroom operation, news writing, editing, and digital media practices. This report attempts to highlight those experiences and relate them to theoretical knowledge acquired during my academic studies.

I hope this report will provide a clear and meaningful reflection of my learning and serve as a useful document for academic evaluation.

Subject: Submission of internship report.

Dear Sir,

Submitting my internship report after three months at chomok news.com was a significant moment in my academic journey . This internship was a requirement for my Bachelors degree in social science.

It provided me with valuable knowledge and experience at the esteemed news portal ,chomok news.

The skills and insights gained during this period will greatly benefit my professional development .

I thank the Department of journalism,media and communication at DIU,and my supervisor ,the chomok news team,and Daffodil internal University for facilitating a smooth internship experience.

I have meticulously compiled all the necessary information to create a comprehensive report that fulfills the internship program requirement .

I appreciate the exceptional guidance and support that enable me to complete my internship successfully.

Regards

Ahammad

Acknowledgement

I would like to express my sincere gratitude to all those who contributed to the successful completion of my internship report. This report marks the culmination of my practical learning experience and would not have been possible without the guidance and support of many individuals.

First and foremost, I am deeply thankful to the management of chomok news.com for giving me the opportunity to complete my internship at their esteemed news portal. I am especially grateful to my internship supervisor for their valuable guidance, continuous encouragement, and constructive feedback throughout the internship period.

I would also like to thank all journalism, editors, and staff members of chomok news who shared their knowledge and professional experiences with me, their cooperation helped me understand real-life journalism practices, news writing, editing, and digital media operations.

I am thankful to my respected teachers and the department for providing academic guidance and motivation, which greatly supported my heartfelt appreciation to my family and friends for their constant encouragement and moral support.

Chapter One

Introduction

Introduction

This internship report has been prepared as a part of the journalism, media and communication internship program. The internship provided practical exposure to the professional media environment ,allowing ne to apply theoretical knowledge gained in the classroom to real world journalistic practices .Through this experience ,I developed essential skills such as news reporting editing ,interviewing ,and ethical decision making ,which are fundamental to a career in journalism.

1.1 What is an internship?

An internship is a short –term work experience offered by an organization to help students or fresh graduates gain practical knowledge and real world skills in a specific field profession.

Example:

A journalism student working at a newspaper office to learn news reporting ,editing and media ethics is doing a journalism internship.

Key point of an internship:

- 1.It is Usually temporary field work
2. Interns work under the guidance of professionals.
3. It helps connect theory with practice .
4. often required as part of academic programs.

1.2 Why is an internship important?

An internship is important because it bridges the gap between academic learning and professional practice. Actually new graduate student can be prepared for real professional life by gaining practical.

Some point for important of an internship:

1. Practical experience

It allows students to apply theoretical knowledge in real workplace situation.

2. skills development :

Interns develop communication, team-work , problem-solving , and technical skills.

1.3Duration of My Internship

Duration of my internship was three months from 21 September 2025 to 10 December 2025. During this time period, I actively participated in reporting, news and editorial activities.

1.4 Reasons for My internship at chomok news. com

I chose to complete my internship at Chomok news.com ,Even though this news portal is not popular but I thought this is this wide place to learn so I took to gain practical experience in digital journalism. The portal focus on timely ,accurate ,and online-based news reporting provided an excellent platform to develop my writing and research skills.

Chapter Two

Organization Profile

2.1 Background of the Organization

Chomok news.com is a prominent Bangladeshi 24/7 satellite news portal specializing in Bangali language news portal and infotainment content .Established in 26 march in 2013.

Chomok news is a digital news portal established with the objective of delivering timely,accurate,and people oriented news to the audience.The platform focuses on presenting news in a clear and responsible manner,emphasizing credibility ,and public interest .Chomok news has been working to uphold ethical journalism and promote transparency in information dissemination.

Chomok News is an online news portal committed to delivering accurate ,time ,and journalism and digital innovation,it plays an important role in information and engaging the public.

2.2 Prominent programs of chomok News.com

Chomok news operates more like a digital news portal with diverse sections rather than traditional TV-style programs .

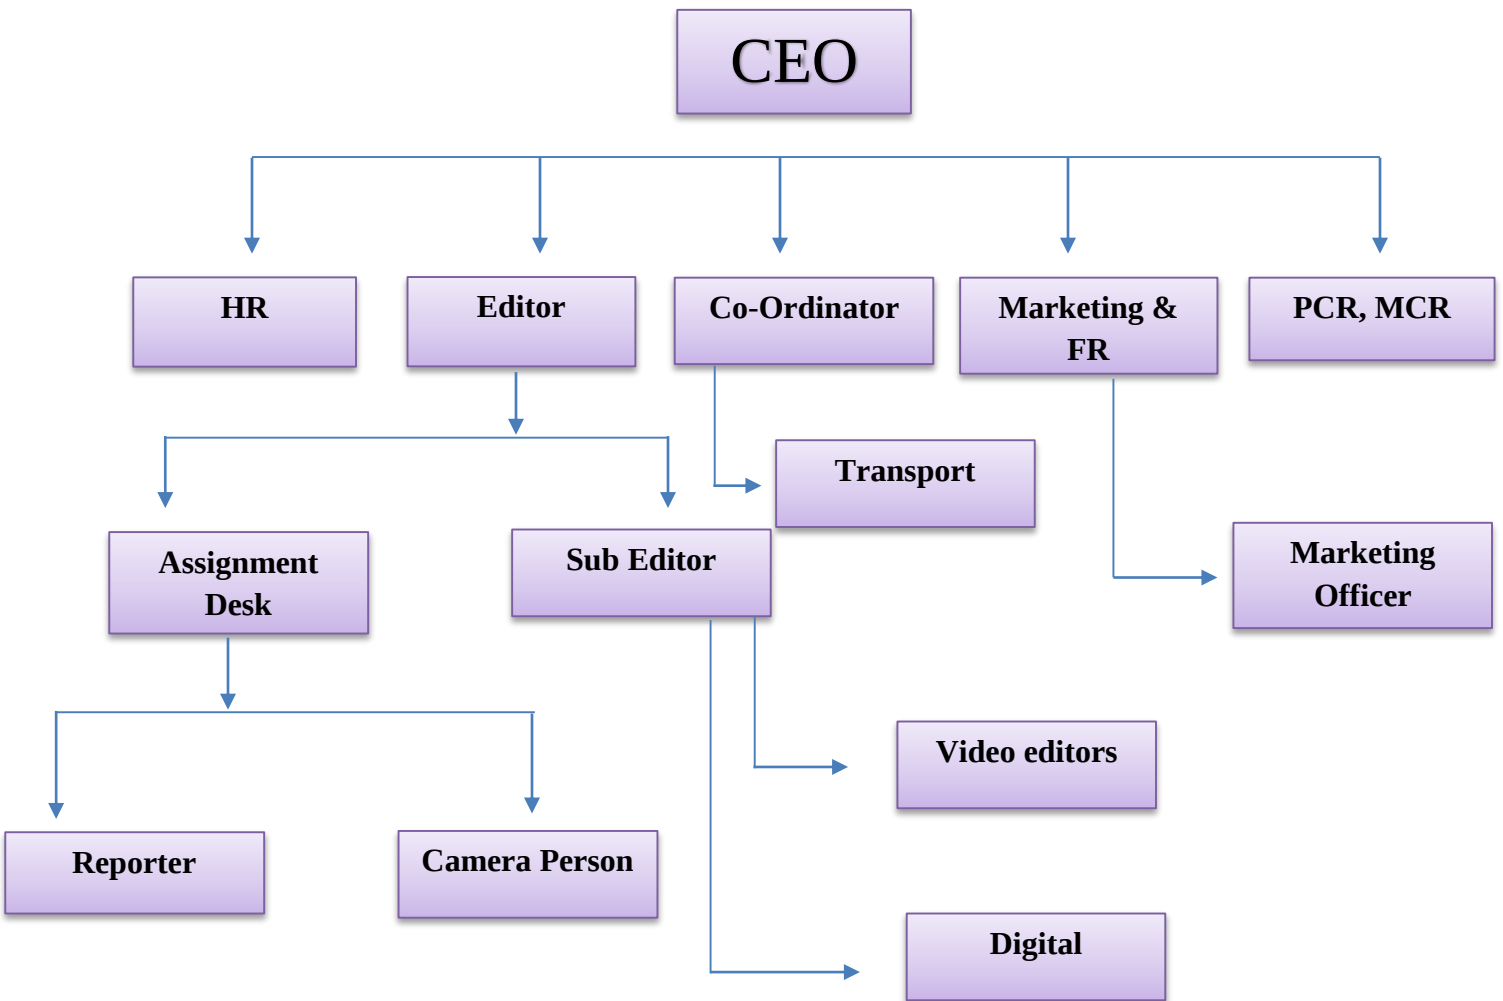

Each major category

National,international ,sports .

entertainment ,crime,literature ,etcworks like the portallls key program areas for readers

to browse specific type of news.

2.3 Organogram

2.4 My internship Supervisor at chomok news.com

My internship supervisor at chomok news was Rahul Raj ,Who played a significant role in guiding and mentoring me throughout the internship period .He was responsible for assigning tasks,monitoring my progress ,and ensuring that I understood the professional standard of journalism.

Under his supervision,I learned practical aspects of news writing ,editing ,reporting,and fact-checking .He regularly reviewed my work and provided constructive feedback,which helped me improve my writing skills and accuracy .His guidance also helped me understand newsroom ethic ,discipline and time management.

My supervisor was always supportive and approachable .He encouraged me to ask questions learn from mistakes and maintain professionalism in all assigned duties.Through his mentorship ,I gained confidence,professional exposure and a clear understanding of newsroom responsibilities.

Overall the guidance and supervision of my internship supervisor at chomok news greatly contributed to my learning experience and professional development ,making the internship both educational and valuable for my future career.

Learning at chomok

My internship at chomok news.com was a valuable learning experience that helped me gain practical knowledge of professional journalism .During this period ,I learned how a digital news portal operates and how news is collected verified written and published.

I developed skills in news writing ,editing headline writing and fact-checking .I also objectivity and ethical responsibility in journalism

Chapter Four

Organization Profile

3. professional Exposure

Internship introduce interns to workplace culture,ethice,and professional responsibilities.

4.Improves employability

Employers value candidates with experience,making interns more competitive in the job markets.

3.3 Internship experience at Chomok news

The internship at the chomok news provided practical exposure ,professional learning ,and valuable work experience relevant to my academic.During my internship at the chomok news ,I gained practical experience related to my field of study.This internship provided me with the opportunity to work in a professional environment and understand the daily operations of the organization .

I was was able to apply theoretical knowledge to real-life work situation.

3.4 Special experience during the internship

One of the most special experiences during my internship was the opportunity to work directly with professional journalists.I participated in news gathering ,writing reports,editing content ,and publishing news on the online portal .Covering real events and interacting with source helped me understand the practical challenge of journalism .this experience significantly enhanced my confident ,communication skills ,and sense of responsibility.

Finally , I think that this is the most special experience of my internship was working in a real newsroom environment. I learned news writing ,editing ,and online publishing under the guidance of experienced journalism.this experience motivated me to pursue a career in journalism.

4. Evaluation

4.1 Skills I developed during internship at chomok news During my internship at chomok news,I developed a wide range of professional ,technical k,and interpersonal skills that strengthened my understanding of digital journalism and newsroom operations.

News writing and reporting skills,I learned how to write clear,accurate and engaging news stories by following journalistic principals such as the 5w1h news values and ethical standards.I improved my ability to convert raw information into structured news content.

Content editing and proofreading ,I developed skills in editing news articles ,correcting grammatical errors ,improving headlines and ensuring factual accuracy before publication.

Digital journalism skills ,working in an online news portal helped me understand digital publishing friendly headlines,contend upholding and the importance of audience engagement in online journalism.

4.2 How this internship will help me in my career

This internship at chomok news will play a significant role in shaping my future career in journalism and media ,through this practical experience ,I was able to apply theoretical knowledge to real –world newsroom activities ,which strengthened my professional foundation.

Firstly, the internship enhanced my practical journalism skills, including news writing, editing, research and digital content production. These skills are essential for building a successful career in modern multimedia platform. Secondly, working in a professional newsroom environment helped me develop communication, teamwork and time management skills. Meeting deadline and collaborating with editors and reporters prepared me to handle workplace pressure confidently in the future.

Moreover, this experience expanded my career awareness and professional network, allowing me to learn from experienced media professionals and gain insights into different roles within the media industry.

Finally, this internship boosted my confidence and career readiness, motivating me to pursue further opportunities in journalism, media and communication-related fields.

5. Conclusion

5.1 SWOT analysis of Chomok News

1. Strengths

Chomok News is a digital news portal that operates in the rapidly growing online media sector of Bangladesh. As an online-based organization, it plays a significant role in delivering timely news to a wide audience through digital platforms. Its operational model reflects the evolving nature of modern journalism, where speed, accessibility, and digital engagement are key factors.

Chomok news digital based news platform,its news operates online ,allowing fast news publication and wide accessibility.

Quick news updates ,capable of delivering breaking news promptly through digital channel.

Young and dynamic team,Encourages innovation ,flexibility,and adaptatibility in news production.

Growing audience reach, Ability to reach readers through website and social media platform.

Structured Training Program:

The organization should introduce a more structured training schedule for interns, especially during the initial phase, to help them understand newsroom operations more efficiently.

Regular Feedback and Evaluation:

Periodic feedback sessions should be arranged so that interns can understand their strengths and areas for improvement.

Advanced Digital Journalism Training:

More training on digital tools, multimedia journalism, and data-based reporting would help interns adapt to modern journalism practices.

☐ Increased Field Exposure:

Interns should be given more opportunities to participate in field reporting, interviews, and live coverage to gain practical experience.

□ **Improved Coordination:**

Better coordination between senior journalists and interns can enhance learning and teamwork within the newsroom.

□ **Internship Duration Extension:**

Extending the internship duration would allow interns to gain deeper insights and hands-on experience in journalism.

Resource Accessibility:

Providing access to newsroom resources, archives, and research materials would improve interns' learning outcomes.

Conclusion

In conclusion, the internship at Chomok News was a valuable and enriching experience that successfully bridged the gap between theoretical knowledge and practical application. Throughout the internship period, I gained hands-on experience in news writing, reporting, editing, content management, and digital journalism practices. The supportive guidance of my supervisor and colleagues helped me develop professional skills, ethical awareness, and confidence in a real newsroom environment.

This internship enhanced my understanding of how a news organization operates, from news gathering to publication, while also improving my communication skills, time management, and teamwork abilities. Despite certain limitations, the overall learning experience was highly beneficial and has prepared me for future challenges in the field of journalism and media. I firmly believe that the knowledge and skills acquired during this internship will play a significant role in shaping my professional career.

Chapter Five

Conclusion

5.1 SWOT Analysis of Chomok news

SWOT – Opportunity

Refers to external positive factors that an organization or individual can use to grow, improve, or gain advantage. These are outside your control, but you can take benefit from them.

Growing demand for online news

Increase in social media users

Technological advancements

Government support or policies

Expanding audience or market

Bangladesh

Increasing use of social media platforms for news sharing

Rising demand for credible and fact-based news

Availability of online tools for news writing, editing, and publishing

Opportunities to reach a young and global audience

Threats

- Sources may provide false or exaggerated information.

Political pressure and influence

- Journalists may face pressure to change or hide facts.

Lack of access to information

- Authorities or organizations may deny data or interviews.

Safety and security risks

- Reporting from crime scenes, protests, or disasters can be dangerous.

Time pressure

- Rushing to publish may lead to mistakes and incomplete facts.

Digital misinformation

- False content spreads quickly on social media.

Cyber threats

- Hacking, data theft, or online harassment of journalists.

Legal risks

- Risk of defamation cases or legal notices.

Weaknesses

- Limited investment in editing equipment hinders production value.
- Office politics impede smooth workflow and collaboration.
- Lack of transportation hinders field reporting capabilities.
- Absence of male presenters limits audience appeal appeal in Chomok news
- Low salaries make it difficult to attract and retain top talent.

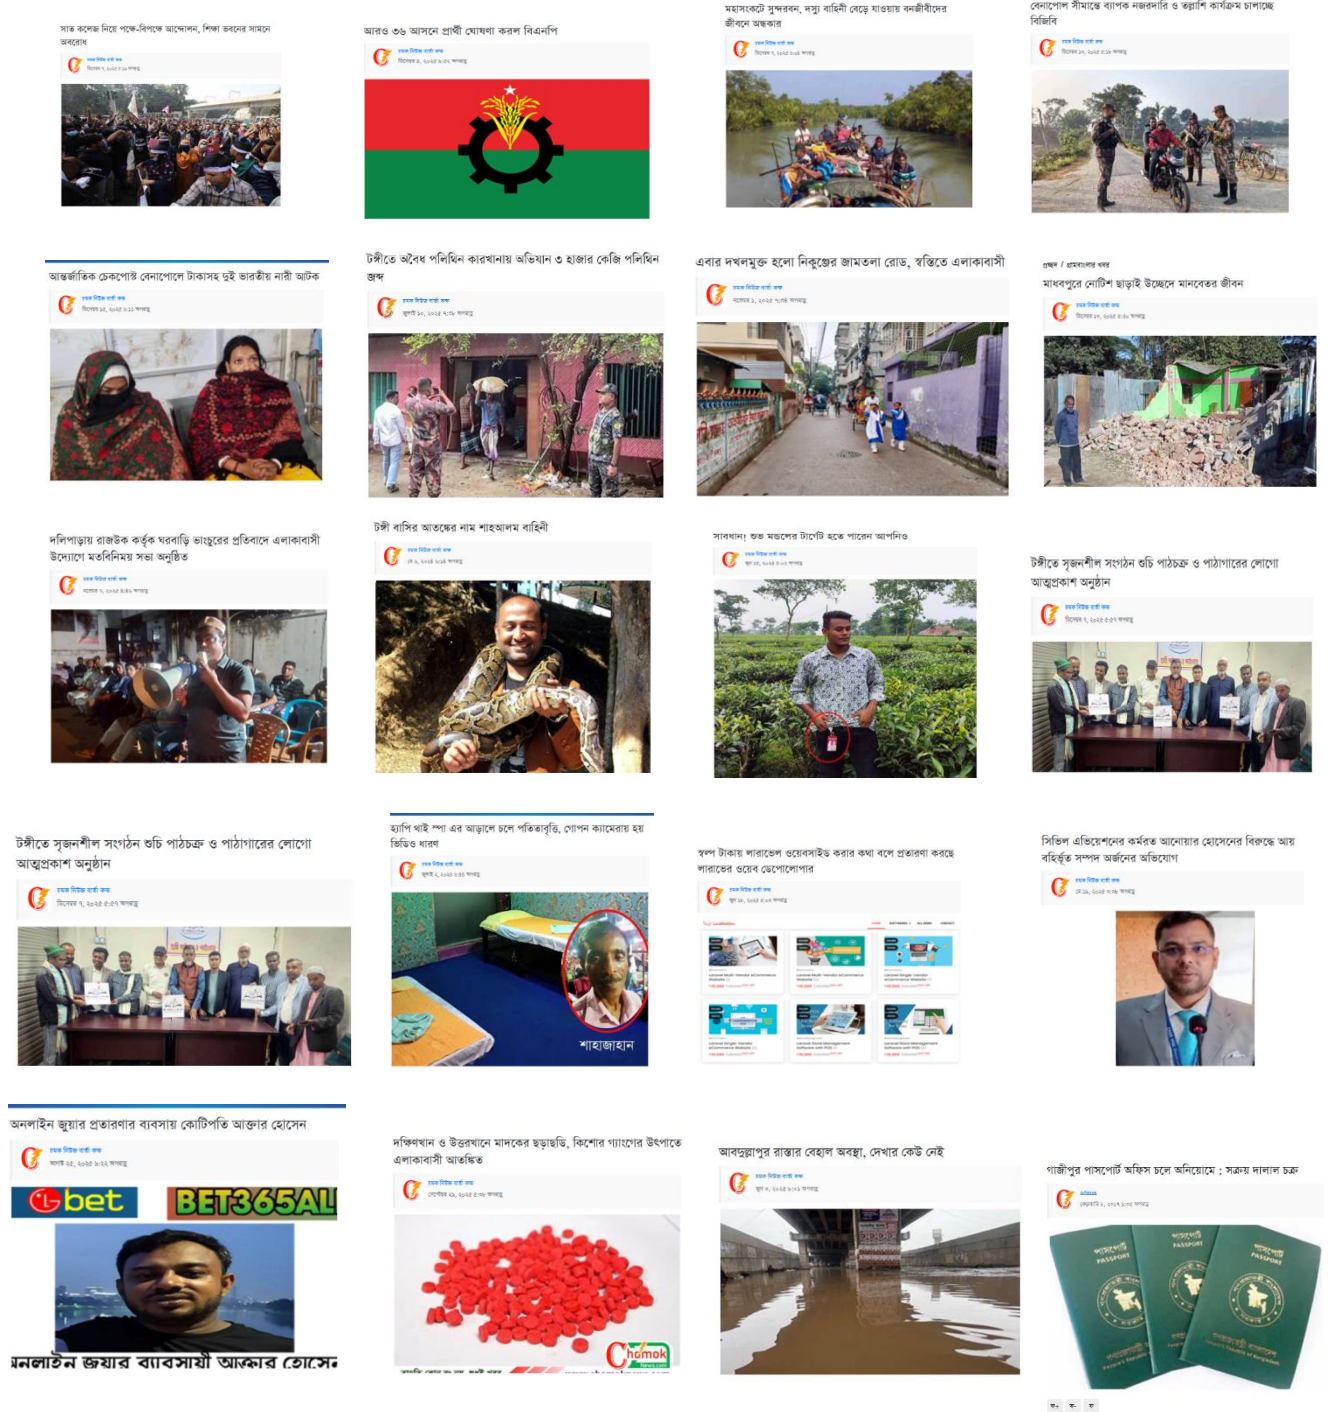

5.2 Recommendations:

Based on my internship experience at the organization, the following recommendations are proposed to enhance the effectiveness of the internship program and overall organizational performance:
