1.2 Describe an internship.

To put it simply internship is a period of time spent working at an often or organizations prior to graduating. One must observe the job During this time and a specified time procure a report on the work completed which must be presented in a formal ceremony. An internship serves as link between education and future employment since it equips intern with real world experience that will help them handle the problems of everyday life.

1.3 why Internship is important?

There are numbers remarkable factors for the necessity of internship. In academic life students are usually learnt and used to the conventional theory based study. They show their excellence through the acccademic exam. But they remain detouached from the practical world and experience which is mandatory for their job life. Here internship comes to fulfil the gap between academic life and professional life.

On the other hand, journalism media and communication is an unique Department where one's academic excellence is not only crucial but also practical work must needed. Being a student of this rules , one may get to learn how to make a news, conduct a report and compile the story and present it in a formal polished fashion. But without field experience this academic knowledge can't be honed. For these reason internship is important for a scholar of journalism media communication before they get into the job place.

1.4 The history of my organizations

Nowadays for the spread of mass media in the globe Mobile journalism (mojo) has become one of the popular and quickset platform to disseminate the information rather than the conventional news media. In this regard multimedia has become very popular for its circulation. Before my internship I set out this plan to accomplish my internship at multimedia in a well renowned newspaper. This is why there were no good option for me without The Daily Kaler Kantho. In the aspect of Bangladesh it is one of the biggest news based multimedia page and YouTube platform in Bangladesh. It was an great opportunity for to reach myself in a large numbers of viewers by this platform. On the other hand, it was also a great technic to measure the Pulse of the audience by their comments and opinions. As a result i got scope to correct myself and sometimes became inspired for good opinions. Similarly, in this office a large number of multimedia reporter were my mentors who helpe me to explore my voice following the ethnics of journalism. Working in the ground with mobile phone,dji,tripod had added new experience what wouldn't possible elsewhere.

1.5 About My Supervisor

Mr Zakaria Ibn Yusuf was my supervisor in Kaler Kantho. He is from Rangpur and studied from Dhaka collage. Mr Yusuf is the founding president Multimedia Reporters Association (MRA). Before Joining in Kaler Kantho he was the lead correspondent in Samakal. He is also the former founding president of Dhaka collage Dhaka collage journalist Association (DCJA). Mr Zakaria is a learnt person and knowledge seeker i was very luck to have him as my supervisor. I got huge opportunity to learn under his supervision.

Major of them are, Smart phone, computer, dji, boom, tripods etc. Sometimes i had to learn operating these tools. Though I hadn't any personal desk and i was assigned for outdoor so most of the time i used smart phone and accessories to make the news. Nowadays very modern equipment are used in the multimedia particularly in editing panel.

3.2 Special Experience

As an intern at Kaler Kantho Itself was an unique and special experience for me. Getting opportunity at Kaler Kantho is little difficult as it's has no available vacancy. In Kaler Kantho most of the officials and Staff were very friendly and they considered me as one of their own. I got a friendly environment to Learn and gain knowledge. I was honored to get such good people like home around me.

4.2 Expectation and Outcome

I should be candid in this term actually i dint have big optimism. After join here i saw my own eyes how news content are being edited and uploaded. How instantly providing live from the ground. The news room is a literal ware zone where everyone's plays different Key role. I will never forget these nice memories.

Chapter Five

Conclusion

5.1 Recommendations

Kaler Kantho is a very well renowned daily newspaper in Bangladesh. Employees are Very qualified and friendly. They offer a limited number of intern this is why i Will say i was lucky enough of them. Above all i got a comfortable atmosphere to work here. For this reason i will say if anyone's get an opportunity to intern in this organizations he should take this chance without any doubt. But one i should mention if someone want to work ha can do it from anywhere, but need to hard work and effort.

5.2 Conclusions

Internship is basically a key and door to everyone's carrier. It is an opportunity to know, learn and gain as in this period of time everyone will learn through the mistakes. Internship is an opportunity for one's relevant field without fear and falling down as it's the Phase of learning. During this period an intern can do mistakes and can ask for queries information for that he won't be advised and criticized never. Everyone will friendly make him understand everything.

Internship is more like the phase of toddlers who just started to talk and always have questions on top of their Head. They keep on asking until their curiosity is fulfilled. In my point of view an intern should ask question and curiosity to know but that should be relevant to internship. In this regard, Kaler Kantho has given a great environment and great deal of experience. The employees of this platform received me very well as like one of them and got to learn manner, courtesy and principles. I hope these virtues will help me to set out a good future and carrier. To conclude i would like to mention that i proud that i am completing my Bachelor's with this internship report from the esteemed institutions, Daffodil International University. I wouldn't have come this far without the teachers, structure and environment this University had offered. And off course the Department of journalism media communication which had shaped me in the person i now of whom i can bravely say i am thankful for.

ক্যাপশন: ৯ টাকার কোয়েল পাখি দিয়ে মাসে আয় লাখ টাকা

বাংলাদেশ একটি কৃষিপ্রধান দেশ এখানে কৃষি ক্ষেত্রে রয়েছে বিশাল সম্ভাবনা। এর মধ্যে অন্যতম হলো কোয়েল পালন। কোয়েল পালন করার জন্য অতিরিক্ত বা বাড়তি কোন খরচ হয় না। বাড়ির যেকোন কোণ বা আঙিনা অথবা বাড়ির ছাদ ইত্যাদি জায়গাতেও কোয়েল পালন করা যায়। এই কারণে শহরে কী গ্রামে অনেক স্থানেই কোয়েল পালন ব্যাপক ও সহজতর হয়েছে। গৃহপালিত পাখির মধ্যে ক্ষুদ্র এই পাখির আয়তনও খুব বেশি নয়। একটি মুরগি পালনের স্থানে ৮টি কোয়েল পালন করা যায়। আজকে আমরা নরসিংদীতে যে কোয়েল ফার্মে এসেছি এখানে মূলত কোয়েল এর বাচ্চা ও ডিম উত্পাদন করা হয়। মোহাম্মদ মোশাররফ হোসেন নামে এই খামারি যিনি এই খামারে ডিম, বাচ্চা এবং পাখি একসাথে পালন করছেন। এই ফার্মিং এর মাধ্যমে তিনি মাসে লক্ষাধিক টাকা লাভ করছেন। মোশাররফ এর মতো যদি দেশের আনাচে কানাচে এই কোল পালন ছড়িয়ে দেওয়া যায় তাহলে বেকারত্ব দূরের পাশাপাশি আমরা আর্থিক সচ্ছলতা আনয়ন করতে পারবো।

ডিয়ারশেল-ছুড়ে। এ বিষয়ে জানতে চাইলে, ভেজগাঁও বিভাগের ডিসি আনিসুল রহমান বলেন, দীর্ঘদিনের বিদ্যুৎ বিল বাকি ছিল বিহারিদের। তারা সেই বিল না দিয়ে রাস্তায় বিক্ষোভ করছে। পুলিশের ওপর ও ইট পাটকেল মারছে। পরিস্থিতি নিয়ন্ত্রণে কয়েক রাউন্ড ডিয়ারশেল নিক্ষেপ করা হয়েছে। এখন পরিস্থিতি কিছুটা স্বাভাবিক।

ক্যাপশন : যানজটে নাকাল রাজধানী বাসীর গলার কাটা এখন ব্যাটারিচালিত অটোরিকশা।

একসময় তিলোত্তমা জৌলস নগরী ঢাকার ছিলো সমৃদ্ধ অতীত ও ইতিহাস। কিন্তু সময়ের পরিক্রমায় সেগুলো বিলীন হয়েছে। এই যেমন এখনো ঢাকাকে পরিচয় সূচকে রিঙ্গার শহর হিসেবেও দেশবিদেশে চিনে থাকে অথচো এই পরিচয়ই এখন ঢাকার দুঃখ হিসেবে প্রতীয়মান হচ্ছে। যানজটে নাকাল ঢাকাবাসীর জীবন এখন দুর্বিষহ হয়ে উঠছে অটোরিক্সার চাপে।

মাত্র তিনশত বর্গ কিলোমিটারের এই ছোট্ট শহরে যেখানে ২ কোটির অধিক লোকের বসবাস করাই দায় সেখানে নতুন করে ব্যাটারিচালিত রিকশার যত্রতত্র নিয়ন্ত্রণহীন চলাফেরা জনজীবনকে আরো দুর্বিষহ করে তুলেছে। সড়কে বের হলেই শুধু সারি সারি অটোরিকশা অনেকসময় অনন্য যানগুলো ও অনুষ্য হওয়ার উপক্রম হয় এগুলোর ভিড়ে। মহাসড়ক অলিগলি সবখানেই যেন ব্যাটারিচালিত রিকশার রমরমা রাজত্ব। এর মধ্যে বেপরোয়া ও অনিয়ন্ত্রিত চলাফেরার কারণে প্রতিনিয়ত ঘটেই চলেছে অনাকাঙ্ক্ষিত সড়ক দুর্ঘটনার মতো বহু ঘটনা। এগুলো শোনার পর হয়তো মনের অজান্তেই আপনি প্রশ্ন করবেন এর থেকে মুক্তি কি আদৌ সম্ভব? সেই প্রশ্নের উত্তর হয়তো আমাদের ও জানা নেই। সম্প্রতিকালে এই অটোরিকশা বন্ধে তোড়জোড় কমও হয়নি, রাস্তা থেকে দেশের সর্বোচ্চ আদালত পর্যন্ত গড়িয়েছে জল কিন্তু আশানুরূপ কিছুই হয়নি। বরং দেশের সর্বোচ্চ আদালত দেওয়া ব্যাটারিচালিত রিকশা বন্ধে রায় কে বৃদ্ধাঙ্কুলি দেখিয়ে অটোরিকশা চালকদের বিক্ষোভ এর মুখে সরকার সাময়িকভাবে সেটি স্থগিত করে। অর্থাৎ, আবাক্যে অনিশ্চয়তা ও নিরাশার ঘনঘটা রাজধানী বাসীর চোখেমুখে। আজ রাস্তায় রাস্তায় ঘুরে ঘুরে আমরা দেখানোর চেষ্টা করেছি সেই অসহায়দের চিত্র ও অটোরিকশার বেপরোয়া চলাচল।
