Daffodil Alumni North American Reunion 2019 held in New York

His Excellency, Mr. Masud Bin Momen, UN Permanent Representative of Bangladesh and Ambassador was present as the Chief Guest on the Daffodil Alumni North American Reunion 2019 held in New York in the USA on June 15, 2019 and said that it's really praiseworthy to arrange such kind of reunion program in North America by Daffodil Family. Developed countries use their alumni to enhance organizational development through which the overall country becomes benefited. He thanked Daffodil Family for arranging this program.

Dr. Md. Sabur Khan, Chairman, Daffodil Family was present as the special guest in the program and said that 'emotion' is one of our major strengths; if we can properly utilize this emotion we can gain a lot. We need to be united. That's why we want to develop Daffodil Alumni platform.

The event started with a river cruise from Sky Port Marina by 'The Empire Cruise' towards the Statue of Liberty with the Daffodil Alumni. The Alumni got the opportunity to recollect their memories, exchanged and shared views and joined in several fun and cultural events. The river cruise turned into a great gathering of Daffodillians coming from different parts of North America.

Around 60 thousand Daffodil Alumni are staying in different countries of the world holding potential, pride and key positions. The main objective of this reunion was to form a Global Network of Daffodil Alumni uniting country wide non-resident Daffodil Alumni Network and utilizing this collective network for the development of Bangladesh through their experience and expertise.

Innovation Stakeholder Consultative Conference

Mr. Md. Abdul Halim, Industry secretary said that Bangladesh is currently having technological revolution at various sectors. To be benefited through this revolution we have to give emphasis on technological innovation. He gave stress on developing a technology friendly young generation. He was inaugurating and addressing as the Chief Guest at two-day long Innovation Stakeholder Consultative Conference on 'Technological Innovation Management Centric Initiative for Building an Innovation Economy' held during 12 & 13 June 2019 at Daffodil International University.

Mr. Md. Mostaque Hassan, NDC, Chairman of Bangladesh Small and Cottage Industries Corporation (BSCIC) was present at the closing ceremony of the conference as the chief guest and said, we need a lot of entrepreneurs if we want to sustain our economic development. And innovation is necessary for being an entrepreneur. A person can't be a successful entrepreneur if he doesn't have innovation power. That's why this kind of conference should be arranged more and more.

Dr. Md. Sabur Khan in his presidential speech at the inaugural ceremony said that the main purpose of technology is to make our life easier. But we wouldn't be benefited if don't possess a positive attitude towards it. So, we have to be positive minded in using technology for various purposes.

Prof. Dr. M Nawaz Sharif, an international expert on technological innovation and technology transfer presented the keynote speech at the conference. Career Development Center, Department of Innovation & Entrepreneurship, Skill, Jobs and Bangladesh Venture Capital jointly organized this conference.

Prof. Dr. M Nawaz Sharif in his keynote speech mentioned that no technology can sustain forever and no technology company can lead for long time. The technology which lead twenty years ago is not in use these days. In the same way today's modern technology will become obsolete in future. So now it is time for Bangladesh to take leadership in global technology market.

More than 50 participants from different organizations attended this conference and discussed different issues in 10 different sessions.

DIU Congratulated Government for initiating 'Startup Bangladesh Limited'

The letter of congratulation also covered up that DIU has taken many initiatives for creating Entrepreneurs to support the vision of Bangladesh Government. DIU is the only university in Bangladesh that offers Bachelor Program on Innovation & Entrepreneurship. The university also launched many other international programs as Hult Prize, Get in the Ring, TEDx, Talent Hunt Scholarship, Entrepreneurship Development Fund (EDF), Startup Idea for Fund, Startup Market, Daffodil Business Incubator (DBI) and more to nurture and incubate startup ideas. Continuously the university is organizing Industry Academia Lecture Series and publishing books on Entrepreneurship with a view to share the knowledge of entrepreneurship among the young minds.

Apart from this, the university has involvement with different national and international initiatives such as Global Entrepreneurship Week, Are You the Next Startup?, Global Money Week, Daffodil ICT Carnival and connected Global Entrepreneurship Network (GEN) to spread the entrepreneurship opportunity in Bangladesh as well as promote the Bangladeshi entrepreneur initiative outside of the world.

The letter also pointed out that while Mr. Md. Sabur Khan was the president of Dhaka Chamber of Commerce and Industries (DCCI), he took the initiative to create 2000 entrepreneurs in Bangladesh. It should be mentioned that, Daffodil applied to the Ministry of Commerce for getting registration of 'Startup Bangladesh' in 2014 but when Bangladesh Government showed keen interest to begin Startup Bangladesh then Daffodil withdrew their application to welcome Government's initiative.

It was also mentioned in the letter that DIU would love to work with Bangladesh Government in any Entrepreneurial venture in near future.

It may be mentioned here that a proposal of 'Startup Bangladesh Limited' Company has been approved on Monday (19 August) at the regular weekly meeting of the cabinet held at the Prime Minister's Office with Prime Minister Sheikh Hasina in the chair. The limit and rate of the loan will be decided while going through the operation. The paid up capital of the company will be Tk. 500 core and price of each share will be Tk. 10.00.
