Chapter- 03

Problems, Recommendations and Conclusion

3.1: Problems Identified

The following problems have been identified: -

1.Global Labels (Bangladesh) Ltd follow good job analysis policy. They do perfect job description and job specification. Global Labels (Bangladesh) Ltd job study exercise is to be accepted with the help of HR Department, Head Office. The Job Study and Job strategy is prepared before the recruitment is done. The agreement signed before joining states the job description of the post the employee and worker is joining. By location the job description explains the tasks he needs to bring on and benefits both Global Labels (Bangladesh) Ltd and the employee himself.

2.Global Labels (Bangladesh) Ltd have very strong and effective human resource planning policy. They trust that Human Resources provide the business a major competitive edge in terms of awareness and skills.

3.Global Labels (Bangladesh) Ltd has very effective training and development policy. They offer training to the personnelaffording to the necessities of the institute. Thus, the employees get the chance to improve their currentservices or growspecificservices which in turn, will support them to take up aboutfreshparts. Global Labels (Bangladesh) Ltd provide classroom lecture training conference training, seminar, audio visual training etc.

4.Global Labels (Bangladesh) Ltd use effective and different performance appraisal methods. They give extra focus on show than length of service. The grouplinks with the workforceseparately and distribute all the necessary data regarding their presentations and also describes their specific roles.

5.Global Labels (Bangladesh) Ltd are well paid comparatively other RMG. Global Labels (Bangladesh) Ltd displays the Wage Board, stated by the government for newspaper staffs. Global Labels (Bangladesh) Ltd is even in providing its man's their due overhead

and has a status of regular payment. It also offers gratuity and provident funds to all employees. Also they give two additional festival bonuses to all employees every year.

6.Global Labels (Bangladesh) Ltd recruitment process are time consuming and expensive. Too much misuse of reference power. There is no substitute way to recruiting policy such as job, over time, job turning, sub-contracting etc.

7.Compensation package of Global Labels (Bangladesh) Ltd is not attractive to hold qualified employee. Under the direct compensation system Global Labels (Bangladesh) Ltd offer almost all type of compensation but indirect compensation system they should offer something new.

8. They have shortagehighlight on research and development, means that they nonstoppromotion the work procedure finished technology but not giving enough care to the workergrowth and their petition.

9. They use traditional promotion policy. They maintain both vertical and horizontal promotion policy. They can use those modern time promotion policies like social media, online marketing etc.

3.2: Recommendations

After analyzing Global Labels (Bangladesh) Ltd.'s staffing& selection processes it has been recognized that they are ensuingdecentstandards for employing and choosing appropriate personnel and worker for their institute. To be a moral is not perfect for this modest market of RMGdivision, they have to be right. For that cause, there are some references that I would like to propose:

1.For the factory level workers Global Labels (Bangladesh) Ltd need to better compensation policy. Because the main production is done by factory level workers

and they need to bust up through better wages and compensation offering.

- 2.For employee development Global Labels (Bangladesh) Ltd have to develop clean and standard research and development system in future. Continuous development of existing employee helps an organization for long business survival.
- 3.For internal recruitment Global Labels (Bangladesh) Ltd mustmonitor "Succession Planning" methodparticularly for those support which are tend to makelead. This method will help Global Labels (Bangladesh) Ltd to escapeadditional training charge which will happen if they engagedworker from external.
- 4.Global Labels (Bangladesh) Ltd. Staffing team muststudy the consistency and strength of the techniques they use as part of the selection procedure. This means that the collectionapproachesmust be reliable and amount what they are future to measure.
- 5.A performance exercise could be useful if the employer wishes to assess candidates verbal messageservices. They can improve their employee assessment system by following modern business world.

Companies need to be conscious of the option of discrimination happening during all steps of the selection procedure, and make every effort to mitigate this hazard.

6.Small listing beside the job connectedstandards is a key primarystep of the collectionprocedure. If the company carries out the short listing stepefficiently, this means that it will essential to interview and examone of the most appropriate applicants for the part.

7.Global Labels (Bangladesh) Ltd should recruit personnel with minimum computer data which will be a modestbenefit for them of opposition.

3.3: Conclusion

In Global Labels (Bangladesh) Ltd there were no fightsamongemployees and bosses since I am doing my job here. Global Labels (Bangladesh) Ltd harshly follows the rules & regulations Imposed by BEPZA Instruction 1&2 and Bangladesh labor law 2006 amendment by 2013. Communication between Human resource departments with all extra department was fairlyfine and they help each other to follow up the way given by CEO to complete the duty. Again they are working on a new development where all departments are working together to start the project as soon as possible. Besides Global Labels (Bangladesh) Ltd have the following abilities for flataction like Opinion by Producer to run the full factory, Fire safetymethod, Enough volume of water tank at covert andabove, Excellence electrical rope with circuit breakers, Isolated toilets for male and female employees, Enoughfreshening is delivered by fitting ceiling fans, exhaust fans, big windows, Factory premises is continuouslyhad neat and clean, they had no child labor, Doctor and Nurse are delivered to take care of employees health, workers Canteen, Day care center and Work study center etc.
