# Executive Summary

In Bangladesh, the real estate business started in 1964. Ispahani Group was the pioneer in this sector. During 1970s there were fewer than five companies in Bangladesh engaged in this business. But now this is a booming sector of the company.

Lotus Design & Development Ltd was started its journey in 2010. Lotus Design & Development Ltd is Real Estate Company. Lotus Design & Development Ltd started a land development project. Purbachal Lotus Valley is a project of LDDL. Lotus Design & Development Ltd is our environmentally responsible response to the rapid spate of urbanization in Bangladesh. Pressures of urbanization in this country are compounded by the unfavorable land man ration. LDDL has embarked upon a mission to make the maximum use of minimum land being sensitive to both environmental concerns and social continuity. Planned development by LDDL of the sites around the city has added value to those areas released pressure on inner cities and persecuted the city dwellers with breathing space.

Lotus Design & Development Ltd has currently 75 employees, including drivers & peons. I have worked as an internship at Lotus Design & Development Ltd from 15<sup>th</sup> July. Purabachal Lotus Valley is the running project of LDDL. Purbachal Lotus Valley established by 2000 Bigha land. Purbachal Lotus Valley project already under the DAP (Dhaka-Detailed Area Plan). This project is developing as a Satellite City.

Lotus Design & Development Ltd participates on REHAB housing fair two times in a year. In the fair we take a stole for selling the plots. They provide the brochures, maps, & other accessories so that the sales team can easily make their sales. Already 160 plots are sale in this during year. Now 550 plots are ready for sale. Finally Lotus Design & Development Ltd has successfully established itself as one of the leading real estate developments in Bangladesh with reputation for a touch of class & dignity within the reach of all class of people. Within 3 years Lotus Design & Development Ltd want to be a leading position in Real Estate sector in Bangladesh.

## INTRODUCTION

## 1.1 Introduction:

Internship program is essential for all BRE students, because it helps him or her acquit with real life situation. The real estate sectors play a significant role in solving the housing or land crisis in Dhaka city, so I have selected Lotus Design & Development Ltd which is one of the developed companies in our country.

For completing my BRE degree Internship Report is one of the parts at the final semester of the Department of Real Estate, Daffodil International University. This is a study on **An Analysis of Customers' Satisfaction of Purbachal Lotus Valley**. It was a chance for me to learn about the management and how to satisfying the customers.

## 1.2 Scope of the study

This report will give us a clear picture about the customers' satisfaction in general & specially the activities of Purbachal Lotus Valley. The scope of the study is limited to organizational set up, functions, & performance.

The scope of this study is:

- Maintaining a good relation between employees & management.
- Improving an effective work station design.
- Effective marketing layout designing.
- Efficient handling of employees.
- Handling & setting the employees according to their work.
- Maintaining the link in effective manner.

## 1.3 Objectives of the study

The objectives of the studies are as follows:

- ▶ To measure level of customers' satisfaction of Purbachal Lotus Valley;
- ▶ To identify problems related to customers' satisfaction of Purbachal Lotus Valley.
- ▶ To make some recommendations to solve the problem.

## 1.4 Methodology of the study:

To prepare the report, data have been collected from following sources.

### 1. Sources of data :

#### (A) Primary sources :

- ▶ Officers of the company
- ▶ Clients of the company

#### (B) Secondary sources of data

- ▶ Annual report of Purbachal Lotus Valley (2011-2012)
- ▶ Prospects of Purbachal Lotus Valley.
- ▶ Internet / website. .
- ▶ Un- published data

### 2. Methods of data collection:

- ▶ Direct observation.
- ▶ Discussion with customers.

### 3. Target Population: The target population of the study is all customers of the Purbachal Lotus Valley.

### 4. Sample Size: ▶ 10 officers.

- ▶ 35 customers.

### 5. Data Collection Method:

- ▶ Face to face conversation.
- ▶ Interview over phone.

## 1.5 Rationale of the study

Internship program is essential for every student, especially for the student of Real Estate, which helps them to know the real life situation. For this reason a student takes the internship program at the last stage of the degree, to launch a career with many practical experiences.

The internship program is very helpful to bridge the gap between the theoretical knowledge & real life experience as part of Bachelor of Real Estate (BRE) program.

This internship report has been designed to have a practical experience though the theoretical understanding.

## 1.6 Limitations

The present study was not out of limitations. But it was a great opportunity for me to know activities of real estate business by practically. Some constraints are appended bellow:

- Every organization has their own secrecy that is not relevant to others. While collection data i.e. interviewing the officers, they did not discuss much information for the sake of the confidentiality of the organization.
- The customers were too busy to provide me much time for interview.
- Another limitation was that the data gathered could not be verified for accuracy.
- Maximum time Corporate Manager were busy.

## Chapter Two

## 4.5 Problems Identified Customers' Satisfaction:

During my internship period I attend many customers over the place & phone & try to give them support. In the mean time the customer talk about their problems regarding their payment, handover, confidentiality & many more. These are as follows:

- Plot handover is a big problem of customers. Purbachal Lotus Valley want to handover plot after four years. Many customers think that is long period for handover.
- Project structural development is another problem for customers.
- 50% down payment at a time is tough for customers.
- Maximum customers are expecting the responsible price in per katha in a plot.
- The Government officers want their payment information to be kept confidential. If this information is disclosed, they face many legal problem.
- In the final deed the problem arises when the client wants to register the land to one of his kith & kin.
- Most of the customer wants to know the sure date on which the land will be handed over to them. They feel unsecured about the possession until they get it.
- Electricity, gas & water connection have some problems for satisfaction.
- PLV administration & security systems have some problem.

## Chapter Five

### RECOMMENDATIONS & CONCLUSION

## 5.1 Recommendations:

As per earnest observation some suggestion for the improvement of the situation are given below:

- Plot Handover is the main satisfaction for customers. So Management should take a decision for short time plot handover.
- Project development is mention for customers' satisfaction. Purbachal Lotus Valley's management should take a decision for immediately start project development.
- To attract more customer PLV has to create a new marketing strategy which will be able to increase their business as it could improve revenue.
- The officers of Purbachal Lotus Valley that long term training is required for company officers for the betterment of the service. Computer training is must today to improve the individual as well as company performance. Because customers are pay their installment by online.

- Have to more aware about customers right.
- Always tries to provide better services for customers.

## **Conclusion:**

In our country there is a not adequate land for people's livings. Peoples are very interested to get a peace of land that meets their housing problems. Purbachal Lotus Valley is one of the renowned housing companies in Bangladesh. The company provides complete housing solution to the people. PLV also contributes in our national economy. Main goal of PLV is to provide better services to the customers. PLV has been faced internal problem which is faced by almost every real estate company. At first, it is very difficult to find out a vast area of blank space in Dhaka city. Beside this Government & non government organizations always creates political forces. Local terrors often harassed company for donation. It is very tough to occupy after buying the land. It is found in most cases that there is more partner or same land & have to face complexion of laws with them.

At last, Purbachal Lotus Valley doing its business successfully in our country. It provides its services as per its commitment & improves the business continuously
