Daffodil International University (DIU) organised a press conference on “Certificate Verification with Block Chain Technology” on the campus in the city on Wednesday. Using the technology, DIU can verify students’ certificate in a short time and can ensure security of information, says a press release. Department of Software Engineering (SWE) of DIU developed the app using Block Chain Technology in collaboration with Government’s a2i project. Softbd Ltd. helped this research project by establishing network at DIU. Hamidul Haque Khan, treasurer of DIU, was present in the press conference as the chief guest while Dr Touhid Bhuiyan, head of SWE, presided over the programme. Md Khaled Sohel, assistant professor of SWE, Atiqul Islam Khan, CEO, and Shahedul Hasan, system analyst of Softbd Ltd, were present in the event. The app is available in Google play store: <https://play.google.com/store/apps/details?id=com.softbdltd.bccertificate>.
