## ROVER SQUIRE ORIENTATION HELD AT DIU

July 24, 2018

Education Desk

Daffodil International University Air Rover Scout Group organized 'Rover Squire Orientation' at the Banquet hall of the university on July 19, 2018. Anowar Habib Kazal, Treasurer, Daffodil International University Air Rover Scout Group and Senior Assistant Director (Public Relations) of Daffodil International University, was present in the programme as the chief guest. Presided over by Shaiful Islam Khan, Rover Scout Leader, DIU Air Rover Scout Group, the programme was also addressed by Farhana Rahman, President Rover Scout, RSL, and Slauddin Morsalin, Former SRM DIU Air Rover Scout Group, says a press release.

Addressing as the chief guest Anowar Habib Kazal said that Scout orientation is very important and historical event for a Scout which inspires him to engage himself in scouting through self rectification of mind. He urged the rovers to maintain and follow the rules and

ideas of Baden Powell to create a beautiful world for all. He appreciated the recent activities done by the Rovers of Daffodil International University and urged to keep up the speed. He also said that introducing Rover Movement at the university, Daffodil International University has set up an example to be followed by other private universities of Bangladesh.

In the presidential address, Shaiful Islam Khan said that scouting helps the students to increase interaction among themselves to perform well in professional life and also to get exposure. He urged them to boost up the speed and also to encourage their friends and involve them in Scout Movement to proudly represent them in future job market. He also said that Scouting can play a vital role in developing career and building characteristics of a student through which students can practice of becoming a successful leader to contribute a lot to the society.

Around 150 Rovers from DIU Air Rover Scout Group were present at the Orientation Program. At the end of the formal session a gala cultural programme was performed by the rovers.
