With the aim to inform and motivate the educated youths struggling and facing challenges on route to success, by the well known entrepreneurs of the country, 13th phase of Daffodil International University Industry Academia Lecture Series on Entrepreneurship Development organized by Career Development Center (CDC) was held at 71 Milonayoton on July 30, 2018. CDC of the university has taken the initiative where country's renowned and successful well known Entrepreneurs are taking part in these lecture series gradually in different episode and delivering their success story. the program was 13th of its continuous endeavor where Mr. Mostafa Kamal, Chairman & Managing Director of Meghna Group of Industries, delivered his valuable lecture on "Entrepreneurship Development with Hard Work, Patience and Motivation".

Addressing as the chief guest Mr. Mostafa Kamal said that he had started his business with only Tk. 175, but now the yearly turnover of Meghna Group of Industries is more than 2 billion dollar. The total journey of this success was not smooth. I had to work a lot and I remember once upon a time I was worked more than 18 hours in a day, he added.

Mr. Mostafa Kamal introduced him as a day-labor and told the students that he feels irritate when he doesn't have any work in his hand. He likes to sink in the work whole day. He spends his leisure time through reading books. He also said that everything is in your hand in this technological era. You can read the books of Oxford, Harvard, and Cambridge library in your room if you want. He urged the students to utilize this opportunity of technology.

Dr. Md. Sabur Khan, Chairman, Board of Trustees, Daffodil International University, delivered the welcome address in the program. The program was also addressed by Ms. Cho Min-Jeong, Second Secretary, Embassy of the Republic of Korea, Ms. Tahmina Mostafa, Director, Meghna Group and elder daughter of Mostafa Kamal, Professor Dr. Yousuf M Islam, Vice-Chancellor, DIU, Mr. Md. Abu Taher Khan, Director; Career Development Center (CDC).

The program was conducted by Sohag Mia, Co-ordination officer, Employability 360 Degree.
